

NON-DISPARAGEMENT POLICY

Positive Representation of the College to Students

The College values your views on ways to improve all of the services we provide to our students. Our open door policy is designed to provide a means to share your ideas and views with us. The quality of the experience and education students obtain here is powerfully influenced by the attitude of instructors and other employees. If you are positive and confident, and speak well of the quality of the education, curricula, instruction, facilities, and administration, our students will also be positive and confident. If, on the other hand, students are exposed to criticism by employees, however well intentioned, about the quality of the education, curricula, instruction, facilities, or administration, their confidence and their education may be impaired.

For these reasons, we expect all employees to voice concerns and constructive criticism solely to management, and never, under any circumstances, express views to students critical of the education, curricula, instruction, facilities, or administration of the College. Violation of this rule will result in disciplinary action, which may include immediate termination.
